TUSKORA

PERSONAL PROTECTION

- Safety helmets
- Fire resistant coveralls
- Safety goggles
- Safety gloves
- Safety shoes
- Reflective vests
- Hearing protection
- Fall-arrest harnesses

RESPIRATORY & GAS

- Respirators
- Portable gas detectors
- Fixed gas detectors
- Breathing apparatus
- Emergency escape hoods

FIRE & EMERGENCY

- Fire extinguishers
- Fire blankets
- First-aid kits
- Emergency eyewash
- Rescue lifebuoys
- Emergency exit lights
- Spill containment berms

ALSO SUPPLIED

- Lockout/tagout kits
- Oil and chemical spill kits
- Welding helmets
- Marine lifejackets

Measuring and Precision Tools

TUSKORA

PRECISION TOOLS

- Calipers
- Dial indicators & magnetic bases
- Micrometers
- Bore gauges
- Depth gauges
- Height gauges
- Thickness gauges
- Gauge blocks
- Thread plug & ring gauges
- Squares & angle tools
- Feeler, pitch & radius gauges
- Profile & surface inspection

INSPECTION & TESTING

- Ultrasonic thickness gauges
- Ultrasonic flaw detectors
- Coating thickness gauges
- Holiday detectors
- Weld inspection gauges
- Portable hardness testers
- Surface profile gauges
- Dew-point meters
- Salt contamination kits
- Penetrant and MPI consumables
- Digital pressure calibrators
- Multimeters and clamp meters
- Infrared thermometers
- Torque testers and wrenches

WEIGHING SCALES

- Industrial bench scales
- Industrial floor scales
- Parts-counting scales
- Pallet-truck scales

Scales: specify weighing capacity, readability, platform size, operating environment and calibration requirements.

TUSKORA

VALVES

- Ball valves
- Globe valves
- Plug valves
- Needle valves
- Control valves
- Pressure relief valves
- Y-strainers

PIPEWORK & FLANGES

- Pipe fittings
- Flanges
- Blind flanges
- Elbows & bends
- Tees & reducers
- Stud bolts & nuts
- Expansion joints
- Pipe supports & clamps

HOSES & SEALING

- Industrial hoses
- Hose couplings
- Flexible metal hoses
- Quick couplings
- Chemical transfer hoses
- Gaskets
- Ring joint gaskets
- PTFE gaskets
- Seals & O-rings
- Mechanical seals

INSTRUMENTS & PUMPS

- Pressure gauges
- Temperature gauges
- Flow meters
- Level gauges
- Instrument manifolds
- Industrial pumps
- Cylinder bags

ADDITIONAL PRODUCTS

- Hydraulic cylinders and bolting tools
- Chain blocks, lever hoists and shackles
- Welding machines and consumables
- Cutting and grinding abrasives
- Hydrostatic test pumps
- Stud-bolt tensioners and torque wrenches

NDT Consumables, Probes, Welding & Cutting Tools

TUSKORA

NDT CONSUMABLES & PROBES

- Dye penetrant testing kits
- Fluorescent penetrants
- Magnetic particle consumables
- White contrast paint
- Ultrasonic couplants
- Ultrasonic probes
- Eddy-current probes

WELDING

- Rutile welding electrodes (E6013)
- Low-hydrogen electrodes (E7018)
- Tungsten electrodes
- MIG and flux-cored wire
- TIG filler rods

CUTTING TOOLS

- HSS and cobalt drill bits
- Annular cutters
- Taps and dies
- Cutting and grinding discs
- Carbide rotary burrs
- Step drills and hole saws

ALSO AVAILABLE

- Phased-array probes and wedges
- Probe cables and adapters
- NDT reference blocks
- MPI yokes and UV-A lamps
- Electrode ovens and quivers
- Cutting fluids

For enquiries, specify the probe and instrument connection, NDT method, electrode or filler classification, base material, and drill diameter or shank type.
